Management Discussion & Analysis

The operating model is anchored by port concessions, logistics connectivity, and scale benefits from cargo aggregation across containers, dry bulk, and liquid segments. Market backdrop is supported by signals such as Supreme Court panel clears Advik Group of securities fraud allegations. Adani Ports and Special Economic Zone Limited (APSEZ) is an Indian multinational port operator and logistics company, part of Adani Group. APSEZ is India's largest private port operator with a network of 12 ports and terminals, including India's first port-based SEZ at Mundra and the first deep water transshipment port at Thiruvananthapuram.
