Management Discussion & Analysis

Its business mix is supported by steel manufacturing scale, downstream diversification, and strong demand linkages to automotive and infrastructure sectors. Market backdrop is supported by signals such as JSW Alloys reports strong Q2 with auto-grade steel demand up 18%. JSW Steel Limited is an Indian multinational steel producer based in Mumbai and is a flagship company of the JSW Group. After the merger of Bhushan Power & Steel, Ispat Steel and Jindal Vijayanagar Steel Limited, JSW Steel became one of India's largest private sector steel companies.

Key Risk Factors

- Global steel prices soften on China demand slowdown; margin pressure likely
